Physio-Philosophy 5 Day Seminar Jin Shin Jyutsu physio-philosophy is an ancient art of harmonizing the life energy of the body. This Art assists us in balancing our body, mind and spirit. Through the practice of Jin Shin Jyutsu, we may experience the complete peace and serenity which is available to all. Jin Shin Jyutsu may simplify life complexities so that we live from a place of being. Jin Shin Jyutsu uses the gentle pressure touch of the hands to harmonize the "energy" flows within the body and restore balance. As Jin Shin Jyutsu is an effective tool for alleviating stress, it enhances the body's natural ability to heal and rejuvenate.
